

# Information from the Reinswalder Bergbahnen AG about the new parking system at the cableway valley station

## Parking lot + parking garage = Parking control system and parking fees

- **P-1 / garage top floor** (140 parking spaces)  
– ENTRY ONLY: Barrier with ticket
- **P-2 / parking garage** (120 parking spaces)  
– Entrance and Exit: Barrier with ticket
- **P-3 / Gugg-Dillar** (200 parking spaces)  
– Entrance and Entry/Exit: Traffic light-controlled Barrier with ticket
- **P-4 / Dillar-Wies** (85 parking spaces) - like P-3 – Access ramp
- **P-5 / Access road** – 5 Bus parking spaces / parking spaces for handicapped / reserved spaces for contractual partners / rescue services / police / etc.
- **P-6 / Dillar-Sepp** - (approx. 60 parking spaces) – Own personnel and employees of ski area
- **P-7 / Dillar-Stadl** – (approx. 70 parking spaces) available only as necessary
  - P-1 + P-2 + P-3 + P-4 – are ALL toll parking spaces
  - P-5 + P-6 + P-7 – Reserved parking spaces and/or available only as necessary

## Parking ticket vending machines / PAYMENT TERMINALS

Two parking ticket vending machines have been installed. They are located directly at the parking garage in the area of its pedestrian entry/exits and/or leading to the parking spaces.

Payment can be made with ATM cards, credit cards, and of course in CASH (bills and coins). The parking ticket vending machines can return change ONLY in the form of COINS. It is currently impossible to return bills (NO "bill-to-bill").

## Parking fees

With regards to parking fees, a basic difference is made between users WITH a CABLEWAY CARD and users WITHOUT a CABLEWAY CARD.

- **FULL PAYERS** are users who do NOT purchase a CABLEWAY CARD;
- **Customers with a CABLEWAY CARD** (season ticket, day ticket, hour ticket, single-trip ticket) are BONUS users and only pay the "Bonus Rate;"

• Customers with an RBB or OSA season ticket also receive the **Bonus Rate**;

- **FREE PARKING:** Handicapped persons – provided they can present the necessary **HANDICAPPED ID**

- **A parking time of 30 minutes or less is FREE** – (when entering and exiting within 30 minutes).

### FULL PAYERS:

- Euro 8.00 per day / 24 hrs = (7 a.m. to 7 a.m. on the next day);
- Euro 2.00 per hour = (hourly counter with limit of max. Euro 8.00 / 24 hrs);
  - 1) Customer pulls a parking ticket upon entering at the barrier;
  - 2) The customer pays at the parking vending machine BEFORE walking to his vehicle;
  - 3) Exit only when presenting paid ticket (drive safely!);

### BONUS customers:

- Euro 3.00 per day / 24 hrs = (7 a.m. to 7 a.m. on the next day)
- Euro 1.00 per hour – (min. Euro 1.00 with limit of max. Euro 3.00 / 24 hrs);
  1. Customer pulls a parking ticket upon entering at the barrier;
  2. When purchasing a CABLEWAY CARD from the vending machine, the customer adds the "BONUS Rate" to the parking ticket;
  3. The customer pays the "BONUS Rate" at the vending machine BEFORE walking to his vehicle;
  4. In the case of customers with RBB or OSA season tickets who do NOT purchase a season parking ticket, points 2 and 3 apply;
  5. Exit only when presenting paid ticket (drive safely!);

### Customers with RBB + OSA season ticket:

- Customers who purchase an RBB or OSA season ticket for adults/seniors can also purchase a season parking ticket at the Bonus Rate of Euro 40.00. This is valid only for the given season. ADVANTAGES:
  - 1.) Entry WITHOUT having to pull a parking ticket; it is enough for the customer to present his season parking ticket at the entry control point;
  - 2.) Customer presents his season parking ticket at the exit control point = FREE exit.
